SEDEX Purchasing Requirements.
38 items to **buy, fix and display.**

A visual list of the equipment, documents and sign boards a factory needs in place before a SEDEX SMETA audit walk-through – grouped in the order you set them up.

38	5	9	14
items in total	groups	fire & emergency items	sign boards & posters

01 HOW TO USE THIS LIST

1 — Walk the floor
Note which items are already in place.

2 — Buy what's missing
Use this list to purchase the gaps.

3 — Install & mount
Fix equipment, boxes and boards in the right spots.

4 — Display clearly
Boards in Hindi and English, easy to read.

5 — Audit-ready
Every item visible during the walk-through.
